EKAANERI: Initial of relevant counsel, whether or not counsel is in compliance with MPREP 605. Draw line through notation if not in compliance and not considered. Include copy of this form with next application to appear. CITE NO.: Those applications (a) which are marked with an asterisk (*) next to the name of the attorney, and (b) which are marked with a circled number (1, 2, etc.) because they are to be heard before the same panel. Attach additional copies of this document, numbered sequentially, to each application. The date of the filing of the application will be the date of the document, by the two-letter code (WPO) Standard ST-15. For Japanese patent documents, the indication of the year of the filing of the document must precede the serial number of the patent document. Kind of document by the appropriate symbols as indicated on the document under WPO Standard ST-16 is possible. Applicant or place a check mark here if English language translation is attached.
